About BREAD FOR LIFE

BFL is an evangelistic, relief and development organization that seeks to address the issues of spiritual and physical hunger across West-Central Africa and beyond. We work alongside the indigenous church and communities by helping them become spiritually, socially and economically vibrant – connecting resources with needs and building self sustaining and self propagating ministries that contribute to the effectiveness of the church at large.

SERVING GOD. SERVING OTHERS.

Declaring the praises of Him who called us out of darkness into His marvelous grace.
—1 Peter 2:9

HOW WE WORK

- We are committed to searching out what God is doing in and around us and joining Him in that work.
- We seek to serve as a catalyst to make things happen.
- *We work with Christian churches as well as Governments, NGOs and Christian ministries*
- We partner with other indigenous ministries to help make their vision a reality.
- We convene gatherings of Christians to work on particular issues.
- We continually search out needs in the communities we serve in and explore ways we can be used of God to meet them.
- We provide expertise and experience to the church and the community.
- We seek to complement and not to compete or duplicate.
